

Kid Justice Conquers Chaos Installation Instructions

The Kid Justice Conquers Chaos game is compatible with Windows and Mac environments. It runs best when installed on the hard drive.

Windows

1. Copy the Windows folder to the computer. The folder contains KJ_Conquers_Chaos.exe and Final_FSU_game_tch.pdf.
2. Open the Windows folder and click on KJ_Conquers_Chaos.exe to run the game.
3. Enter by clicking Play Main Game or Teachers' Entrance. Using the Teachers' Entrance allows the player to begin the game at different points. Password: justice.

Mac

1. Copy the Mac folder to the computer. The folder contains KJ_Conquers_Chaos.hqx and Final_FSU_game_tch.pdf.
2. Open the Mac folder and click on KJ_Conquers_Chaos.hqx to run the game.
3. Enter by clicking Play Main Game or Teachers' Entrance. Using the Teachers' Entrance allows the player to begin the game at different points. Password: justice.
